Campaign Spending: [List of Filers](#)

I believe that elected office is a privilege and responsibility entrusted to our government officials. My decision to run was based on my desire to build a stronger Hawaii for my daughter and all the families and working people of Hawaii.

I am a lifelong resident of Hawaii and my family and I have made District 25 our home for the past ten years. I am a graduate of Maryknoll School, Princeton University, and the William S. Richardson School of Law at the University of Hawaii. Prior to my work as an attorney, I was a high school social studies teacher at Maryknoll School.

I have experience in all three branches of government as a former Campaign Spending Commissioner (1996-2003), a Law Clerk to Judge Dexter Del Rosario of the First Circuit Court (2003-2004), a Law Clerk to Justice Simeon R. Acoba of the Hawaii Supreme Court (2004-2005), and a Research Attorney with the State Senate Majority Research Office (2006).

I will be a tough, independent, and effective voice for the Makiki-Tantalus District. My top legislative priorities are affordable housing, the environment, and education. Specifically, I am committed to: (1) Developing safe urban communities with open and green spaces; (2) Working for educational opportunities and quality schools for all; (3) Ensuring the health and well-being of the people of our community, and (4) Creating a sustainable and diversified economy.
